Dear Parents & Carers,

Following on from the success of our 1 to 1 laptop program for students, we are pleased to announce the continuation in 2019.

All students in Years 3-6 will have exclusive use of a Lenovo Yoga 11e each day. The devices will be allocated for the sole use of each student where a family has elected to become part of the program.

For families of students in Years 5 & 6 2019, who choose to opt-in, the program will continue as it did this year; ie: Students will be able to take their laptops home to support the home learning program. This is supported by additional insurance for off-site use.

To ensure we have sufficient laptops ready for the start of the year, a 25% deposit is required **by Friday November 2nd** and the **balance payable by Friday December 7<sup>th</sup> 2018:**

Full cost of the program:

Year/Level 3-4 \$100 per year, with laptop returnable at the end of the school year. Deposit payable years 3 & 4 - \$25.

Year/Level 5-6 \$180 per year with laptop returnable at the end of the school year. Deposit payable years 5 & 6 - \$45.

We are also happy to offer an additional option of outright purchase of your child's laptop. You will be able to purchase this direct from the school's supplier in order to ensure uniformity and a competitive price, however it must be paid in full prior to the end of this year (approx.. \$680+ insurance). This will be a great opportunity to get more years from the device after your child has left Rowville Primary School. Details are outlined in the information booklet available on Compass.

Please note that other brands will not be acceptable.

If your family chooses not to participate in the Personal Device Program, an older second hand device will be provided for use at school only. It may not have exclusive use by your child and cannot be taken offsite.

Please pay your deposit on Compass events as confirmation that you will be participating in the lease program.

If you would prefer to purchase the laptop outright or opt out of the program all together, please complete the attached form and return it to the office by Friday 2<sup>nd</sup> November.

Yours sincerely,

Anne Babich  
Principal

I wish to make the following arrangement:

I would like to pay the full purchase price (approx. \$680 + insurance) of my child's laptop  
(details will be sent home later)

I do not wish my child to participate in the 1 to 1 program. I understand that my child will use a school owned laptop, older version, which cannot be taken home
