Dear Parents/Carers

Parent/Carer Homework Task – In a Million Words or Less, tell us about your child

Families know their children so much better than teachers ever will, so we are asking you as parents/carers to please write to your child's teacher and tell them about your child.

This task provides parents/carers with an opportunity to share information about their child and his/her interests, likes, dislikes and their life in general. It provides teachers with a valuable insight and understanding of their students, which in turn will support student learning.

Teachers have found this to be a very positive way to start the school year with their students. It would be appreciated if you could please send a letter to your child's classroom teacher at your earliest convenience. This can be in paper form or an email to rowville.ps@edumail.vic.gov.au. Please include the name of your child's classroom teacher for next year in the email and this will be forwarded on.

Yours faithfully

Anne Babich
