Therapist Request Form (Appendix 1)

Request to provide NDIS funded therapy on school grounds

The Department of Education and Training (the Department), which includes all Victorian government schools, provides educational programs to Victorian government school students.

The National Disability Insurance Scheme (NDIS) is a new way of providing individualised support for eligible participants. The purpose of the NDIS is to enable NDIS participants and their families to exercise more choice and control regarding the support provided to them.

On occasion, parent(s) may ask a Victorian government school to allow an NDIS funded therapist to provide support or therapy to their child (the student) on school grounds (Request). These Requests are made via a completed Request to provide NDIS therapy on school grounds form (the Request Form).

The Department is committed to supporting NDIS participants, and their families, to obtain optimal benefit from the opportunities offered by the NDIS. Consistent with this commitment, Victorian Government schools are encouraged to accommodate students and their parent(s) exercising choice and control in relation to NDIS supports, where practical to do so.

However, there are a number of relevant factors that must be considered when determining whether or not it is possible for the school to agree to such requests. These factors are set out in *Responding to requests for NDIS funded therapy in schools – Guidelines for Principals*.

For the principal to consider such requests, NDIS funded therapists and parent(s) making a request for access to school premises must:

- complete the attached **Request Form**
- have the student's parent(s) sign the attached **Parent Consent Form**
- provide the completed forms, and any other relevant documents to the school at the time of making the request.

Principals will not consider any such request until the **Request Form** and **Parent Consent Form** are completed and provided to the school.

When the completed **Request Form** and **Parent Consent Form** are provided, the Principal will consider all relevant information, and endeavour to respond to the request within 10 working days.

Should you have any queries regarding the **Request Form** or **Parent Consent Form**, please contact the principal.
