## Critical Incident Recovery Policy and Plan

### PURPOSE

To provide guidelines on how to respond to a traumatic or critical incident in which the school is involved.

### GUIDELINES

When a critical incident occurs, the following four principles will be followed:

- Provide clear, accurate information
- Describe the actions to be followed
- Provide help for all affected
- Maintain a normal school program as close as possible.

### IMPLEMENTATION

- Obtain accurate information. Deal only with substantiated facts.
- As soon as possible inform staff, especially those most directly involved. Inform family and close friends individually. Allow questions and discussion as they arise. Dispel rumours.
- Appoint a skilled Critical Incident Recovery Team to assist in the management of the incident. The team may include staff members, psychologists, counsellors, external DET personnel, support agencies etc. The size and composition of the team will be related to the nature of the incident. Distribute names of the Critical Incident Recovery Team members and inform others of the role of the team via the Emergency Management Plan.
- As soon as possible provide information to the community as to what has happened and what is being done.
- Appoint a skilled Critical Incident Recovery Team member to respond to media enquiries.
- Establish an open line of contact with the family or families directly involved.
- Provide out of school hours contact if necessary.
- Continue contact with the family to identify their expectations of the school and contact interpreter services if necessary.
- Try to identify those most likely to need help.
- Ensure that counselling help is available.
- Contact the Incident Support and Operations Centre (ISOC) on 1800 126 126.
- Continue normal routines at school, but acknowledge the effect of a critical incident within the school community.

- 3.3 The Recovery Team will decide the structure and composition of debriefing meetings; such meetings should be held within **eight hours** of the critical incident. These meetings will review the impressions and reactions of the people involved during or following the incident.

**3.4** Counselling support and referrals for students and their families will be provided initially by the Principal or their nominee and Student Support Services Team Leader North Eastern Victoria Region – Outer East (Kelly Gaunt 7505 3627 / 0429 552 618)

**3.5** Counselling support and referrals for staff is available through Employee Assistance Program (Phone 1800 337 068).
