- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others

Reasonable adjustments for students with disabilities

Rowville Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities through our Student Support Group processes in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Safety Wellbeing and Engagement* or contact Rowville Primary School on 9764 1955 for further information.
